March 31 -- Hundreds of immigrant students, teachers, graduates and supporters from every part of the Commonwealth met on Beacon Hill to create awareness of the life-changing work that happens in adult education classrooms everyday.

The week of March 28 through April 1 has been proclaimed by Boston Mayor Thomas Menino as “Boston Adult Education and Literacy Week.” Organized by Massachusetts Alliance for Adult Literacy, “Adult Literacy Awareness Day” seeks to bring the call for continual support for adult education to the state level. Adult education includes classes such as ABE (Adult Basic Education), GED (General Education Development) and ESOL (English for Speakers of Other Languages).

Over 40 students and teachers from the Asian American Civic Association's (AACA) Next Steps Transitional English Program (Next STEP) paid a visit to the State House and met with state legislators.

Two classes of students first toured the State House. For some of these students this was the first time they had ever been inside a seat of government in any country. After touring the key points of interest in the building, the classes went to the offices of State Representatives or Senators to personally request continued funding for Adult Basic Education in the State budget for Fiscal Year 2012.

“One Senator, representing the district of a number of our students,

hadn't even heard of the Adult Education line item prior to our visit. So we were grateful he gave us the opportunity to educate him on this matter. The students had previously written brief stories about why English classes are important to them,” said Gillian Burleson, Adult Education Coordinator.

Funded by the Smith Family Foundation, Next STEP is open all interested immigrants whose goals are to advance their education or career. The program covers four levels of English with the fourth level focusing on college preparation or job preparation; it is interested in filling a void in existing ESL programs. Next STEP provides a continuation of ESOL at higher English levels to adequately prepare students for college and employment in an English speaking environment.

Rajae Boudza from Morocco has been in Next STEP for two months. She said it was a very interesting experience visiting the State House for the first time.

Lobsang Chonjor, a Level 2 Next STEP student and Tibetan refugee from India, has his eyes on AACA's Building Energy Efficiency Maintenance Skills (BEEMS) program.

“I have one friend who went through BEEMS and got a very good full-time job. I hope to do the same,” said Chonjor, who has two part-time jobs. One of them is doing set-up at the Cambridge Center for Adult Education.

“At first, life in America was not easy because of the language and culture, both so different from my own. First, I had many problems speaking

in English when I went shopping and took the subway. So I began to take an English class. My goal is to get into a job training program and get a full-time job with good benefits,” Chonjor wrote in his letter to state legislators.

Chonjor, like Boudza, was very excited to tour the State House.

“I have only seen it on TV before. But now, I get to see it for real,” Chonjor said.

Another Next STEP student, Hongxia Chen, wrote in her letter, “I came to the U.S.A. from China in 2008. I waited for half a year to study at AACA. I think AACA has a good quality of education. I joined Next STEP after I finished beginner's level ESL program. Right now I have learned many idioms and finished one essay with drafts. I improve my writing very quickly with my teacher's help. I am happy I can study at AACA, so please support the budget for adult education.”

Throughout the Adult Education and Literacy Week, posters representing programs in Chinatown and throughout the city of Boston that serve adults were displayed at South Station, where success stories of AACA's adult education were also showcased.

With matching funds from the Massachusetts Department of Elementary and Secondary Education, Next STEP will serve 150 students per year.

All potential students can contact Victoria Wong at AACA for more information: 617-426-9492, ext. 251 or intake@aaca-boston.org.

Cathay Bank to hold small business legal workshop

By Kane Carpenter

The Belin Economic Justice Project (EJP), in collaboration with Cathay Bank and Ropes & Gray LLP, held a press conference in anticipation to drum up support, for a free Basic Legal Considerations Workshop for Small Businesses at Cathay Bank (621 Washington Street) on March 30.

At 5:45 pm, the conference started with fourteen attendees. The three panel members that spoke were Johnny Ip - Regional Senior Vice President and General Manager of Cathay Bank, Jessica Sommer - Belin Economic Project Director, and Darren L. Bonham - Corporate Associate at Ropes & Gray LLC.

The goal of this year's workshop is to "provide an overview of a number of important business legal topics, the understanding of which can help entrepreneurs and small businesses owners improve their business performance while protecting themselves, their businesses, and their personal assets as well," according to a press release.

Placing an emphasis on the bilingual and translation services that will be available, the EJP provides the pro bono workshop to help the small business owners who cannot

afford legal services. "The EJP aims to help people before [legal] problems arise," Mr. Bonham said.

The first workshop in September 2010 was "overwhelming positive," according to a press release. "Over forty entrepreneurs and small business owners attended." The first workshop garnered ten face-to-face legal consultation meetings, with five entrepreneurs continuing on to benefit from legal services.

In a pitch to further gather participation, Ip told attendees that Cathay Bank is financially "doing well". "Our liquidity is at 17%, well above the 10% minimum," he said. "Cathay Bank has the money to lend to small businesses."

This year's workshop is co-sponsored by Chinatown Main Street, Boston Chinatown Neighborhood Center (BCNC), Asian American Civic Association (AACA), Asian Community Development Corporation (ABCD), and the Taiwan Chamber of Commerce of New England.

The workshop will be held at Cathay Bank (621 Washington Street, Boston, MA), April 21, from 5:30 to 8:00 p.m.

Suzanne Lee fundraiser shows community support

Suzanne Lee during a speech to her supporters. (Courtesy of Cayce McCabe)

By Kane Carpenter

City Council District 2 candidate Suzanne Lee held her first campaign fundraiser at China Pearl Restaurant in Chinatown on March 30.

Nearly 300 supporters attended the buffet-style dinner, during which a number of supporters voiced their support for Lee in short speeches. Lee is the first Asian American woman to run for municipal office in Boston.

Speechmakers at the event, all of whom showed support for Lee, included Lydia Lowe, Wing Kay Leung, Joe Wong, Henry Yee, Joe Ho Lee, Dora Hui, Leverett Wing, and Gock Hon Wong.

"Suzanne has been a guiding light for me," said Dora Hui, a Wellesley College senior, who had Lee as a teacher in her younger years. "She values communication and debate. Even if she doesn't agree with you, she'll hear you out."

Lee, who is running for a district that includes Chinatown, South Boston and the South End, has an impressive record in education and academic experience since she has worked at Boston public schools for 35 years, first as a teacher, then as a principal. According to Lee's campaign website, "She led a high-profile turnaround at the Baldwin School in Brighton, transforming a low-achieving and divided school into a nationwide model for school improvement. She went on to run as head of the Josiah Quincy Elementary School for 10 years. During her tenure the school was named one of the best elementary schools in Massachusetts."

"We are happy to support Lee even though she is a die-hard Democrat," said Joe Wong, President of the Asian Republicans of Massachusetts. "We believe in her integrity and leadership capability."

Lee is running against City Councilor Bill Linehan of South Boston, and pointed out that she does not expect an easy ride. "This will be a challenging race," she said during her speech to her supporters. "Because I am running against a sitting councilor, I need all your support. Go out and talk to your friends, and tell them what kind of person I am."

The fundraiser ended at 8:30 p.m. with a final supportive chant in Cantonese led by the event's emcees. "I'm very encouraged by the support from the community," said Lee, before rushing off to thank supporters before they left.

Joanne Chang, pastry chef and owner of Flour Bakery and Myers and Chang, was the honoree chef at A Spoonful of Ginger Gala on March 28, 2011.

Dr. William Hsu, Medical Director of the Asian Clinic, described Chang as a person with a big heart. Chang has been whipping up delicious concoctions for A Spoonful of Ginger for seven consecutive years.

A Spoonful of Ginger was able to raise approximately \$350,000 with about 450 attending guests.

When asked how Chang got involved, she said, "[Chef] Jasper White contacted me and asked me if I would participate."

Chang's response reinforces how word of mouth is a key component in raising awareness. If you would like to learn more about diabetes or help spread diabetes awareness, please visit <http://aadi.joslin.org>.

Raising money through laughter

ACDC committee members and the comedians at ACDC Asian Comedy Night. (Courtesy of ACDC)

By Diana Li

March 26 - Asian Community Development Corporation, ACDC, hosted their 7th Asian Comedy Night. Micheal Tow, ACDC president, started the show by giving comedy a stab with a joke. With all jokes aside, the crowd was also informed of all the work ACDC has done over the years. ACDC strives to help low-moderate income families to have the opportunity to buy homes. According to Tow, 1 out of 3 Asians live under the poverty line. This makes it even more crucial to provide resources to low income families to have access to home buying.

In addition, an interesting fact that was given is that an individual can make up to \$78K and still qualify for first time home buyer assistance.

Tickets for this show, which also entailed a buffet, were sold out for the night. Comedians included Julie Kitayama, Alington Mitra, Andy Dawson, and Sheng Wang, the headliner. The comedians' inspirations for their quirky jokes were based on personal experiences and common Asian stereotypes. The comedians were able to uphold laughter from the audience throughout the night.

Many people are choosing to follow a vegetarian diet these days. People who follow a vegetarian diet do not eat any meat (meaning no red meat, poultry, seafood, or products made with these foods). This diet is a healthy option to consider, but it should be well-planned. If you choose to follow a vegetarian diet, be sure to eat a mix of vegetables, fruits, beans, whole grains, nuts, and low-fat dairy products (if you choose to include dairy).

There are many different types of vegetarian diets. The most common types are:

- Vegan—This group does not eat meat, eggs, or dairy products.
- Lacto-vegetarian—This group does not eat meat or eggs. However, they will eat dairy products.
- Lacto-ovo vegetarian—This group does not eat any meat. However, they will eat both dairy products and eggs.

Is it safe for someone with diabetes to follow a vegetarian diet?

Yes! A vegetarian diet is a healthy option, even if you have diabetes. Research supports that following this type of diet can help prevent and manage diabetes. In fact, research on vegan diets has found that carb and calorie restrictions were not necessary and still promoted weight loss and lowered participants' A1C.

Youth

By Mabel Lee

As students, we are all familiar with the appeal of caffeinated products. Many of us go to nearby coffee shops everyday. Similar to the way we compare grades, we also compare the best coffee shops, two of which are Dunkin Donuts and Starbucks. There are 16,635 Starbucks stores in 49 countries while there are only 8,800 Dunkin Donuts stores in 31 countries. Although the most profitable product of both companies is the coffee, there are other products that contribute to the overall success of both companies. But why is Starbucks still more widely known and loved than Dunkin Donuts and all of the places to get coffee? Although both stores provide the right amount of whipped cream, Starbucks is largely more successful because of its comfortable environment, variety of drinks, general display of goods, and excellent customer service.

When entering a Starbucks store, one immediately notices the abundance of students furiously typing on the keyboards of their laptops while sprawled on comfortable couches or chairs. One of the most appealing aspects of Starbucks is the comfort it holds. It is a place where students can get their work done while sipping on a nice warm frappuccino. It is a place where many important interviews are held and also a place where people coalesce and reminisce while sharing a drink. Because of the comfort the couches at Starbucks hold, students are more likely to stay in Starbucks longer than they planned to and eventually buy more drinks since they are not finished working on their homework or research. In turn, this causes Starbucks to earn more money and become more successful as students will buy more than one drink while they are sprawled on the couches.

Starbucks also offers a wider range of drinks than that of any coffee store. It not only sells tea, a drink that Dunkin Donuts does not offer, but it also has many flavors of each kind of drink. Starbucks offers 22 different types of tea and 21 different types of frappuccinos, a drink that was popularized by Starbucks. In addition, one can enjoy the pleasure of drinking tea regardless of the constantly changing weather as Starbucks offers both iced tea and hot tea. Starbucks also offers smoothies and miscellaneous drinks such as apple juice, steamed milk, and caramel apple sauce. Plus, all these extra choices do not include the brewed coffee and the blended espresso drinks. Their popular

Meal planning for vegetarian diets

Vegetarian diets are naturally higher in fiber, much lower in saturated fat, and cholesterol-free when compared to a traditional American diet. The high fiber in this diet may help you feel full for a longer time after eating and may help you eat less over all. When fiber intake is greater than 50 grams per day on a vegan diet, it may help lower blood glucose levels.

This diet also tends to cost less. Meat, poultry, and fish are usually the most expensive foods we eat.

The Vegan Diet

This is also called the total or pure vegetarian diet. Those who follow a vegan diet do not eat any meat or foods made with meat products.

People with diabetes can choose to follow this type of vegetarian diet too. The vegan diet includes a variety of plant-based foods. Eating soy products and a mix of vegetables, fruits, beans, and whole grains provides plenty of protein and other important nutrients. The main nutrient of concern for this group is vitamin B12, so taking a supplement or multi-vitamin is usually necessary.

Starbucks and Dunkin Donuts

bottled drinks containing their coffee are not only sold in the Starbucks stores but they are also sold in supermarkets. This expands their coffee market to people who are shopping at supermarkets. Because of Starbucks' wide range of drinks, many people are more inclined to go to their store and buy a beverage that is suitable to their needs.

Starbucks also does a great job of drawing consumers to their store and displaying their products. Unlike other coffee stores such as Dunkin Donuts, Starbucks displays all their delectable bakery goods under the counter in easily visible glass display cases. While customers are buying their drinks, their eyes may absent-mindedly wander to the baked goods section and purchase another product. Because of this, Starbucks is able to attain more profits which contribute to their widespread success. Starbucks' increasing array of food includes hot breakfast meals, sandwiches, salads, yogurt parfaits, and even ice cream. There is so much available on their menu that satisfies even the pickiest of eaters.

In addition, each individual store provides excellent customer service. A worker at Starbucks will ask the customer for his/her name and inscribe it on the beverage so as not to confuse different beverages. This is easier for both the customer and the workers since the workers will be more organized about which customer ordered which drink. The customers, in turn, will be satisfied with efficient way the employees were able to give them the drink that they ordered. Even the smallest aspect of the store, such as the small table near the counter where customers may add more sugar and salt, brings customer satisfaction. Starbucks also provides its own cup holder so if beverages are too hot, customers may lessen the heat given off by the cup by putting a cup holder on the cup. Their excellent customer support immensely satisfies customers, which would in turn cause the customers to go to Starbucks again and buy more products.

Starbucks is the largest coffeehouse company in the world, and although it was established a little later than most coffeehouses, it has come to be widely appreciated by many costumers. Its leading success, based on the comfortable environment, variety of drinks, general display of goods, and excellent customer service has undoubtedly placed its name high as one of the leading chains in the world.

Yes, it is that dreaded time of year again, Tax Time! For those last minute procrastinators, there is some good news for you. This year, you will have a bit of a break as the deadline this year has been moved from April 15th to April 18th.

This is because of a holiday observed in Washington DC called Emancipation Day. Because Emancipation Day falls on Saturday this year, it will be observed on April 15th. Also the IRS filing deadline cannot fall on a weekend or holiday, so it is moved to Monday April 18th.

Here are some last minute tips regarding your taxes:

File online. Filing online is free and was done by over 100 million tax payers last year. The IRS expects this number to grow even larger this year. This is probably the quickest and easiest way to file your taxes. If you file online with direct deposit, you'll get your refund fast.

Be wary of Refund Anticipation Loans. Refund Anticipation Loans are loans secured by an individual's tax refund. This is a way for individuals to get quicker access to their refunds. However, the fees can be exorbitant and there has been a lot of exploitation of these loans. So, unless there is an emergency, try to stay clear of these loans, especially when the time frame for these loans last only for about 6 weeks.

If you are off to a late start this year, you can request a 6 month extension by filing Form 4868 to get your paperwork in order. This extends the due date for filing your taxes, but it does not extend the date for paying your taxes. You will need to send it in by April 18th your estimate of your taxes due, otherwise you may be subject to interest and

One of my favorite Vietnamese meals is Bo 7 mon or "7 courses of beef" can be found in the heart of Boston's Chinatown at **Pho Hoa II** (17 Beach Street, Boston, MA (617) 423-3934). Although the menu reads that the meal can feed two people, it can easily be eaten amongst three. This is not your normal pho, but more for special occasions such as weddings. Though **Pho Hoa II** has undergone some renovations due to a fire not long ago, their new look is nice. A large fish tank livens up the dining room along with the dark wood tables and chairs.

You will quickly find out that big table space is needed, when an array of dishes are brought out. First off are the two dipping sauces, one is the usual nuoc mam (fish sauce) and the other is a bit strong and pungent, anchovy or fermented bean based sauce-not for the faint hearted! Of course there is plenty of chili sauce readily available if you need a kick. A big heaping plate of herbs, along with slices of cucumber, apple, carrot and daikon (radish) as well as lettuce leaves along and bean sprouts are given. A big, steaming bowl of hot water is given to be used for dipping the provided round, thin, rice wrappers and a plate of vermicelli noodles. Diners may wrap their own their own rolls with these ingredients and the beef.

To make a roll, first take one rice paper wrapper. Quickly dip it in the hot water for a few seconds. Then lay down the desired ingredients and beef. I love the herbs and veggies, but I go easy on the vermicelli. Roll it once, then grab each side and bring them

penalties.

If you itemize your deductions, take some time to familiarize yourself again with you what you can itemize. Every year, they are many deductions that individuals are allowed to take but miss or forget. For example, if you were looking for work in 2010, there are a lot of expenses that you may deduct, like resume paper, gas for driving from interview to interview, costs for job websites etc. For more guidelines on what you can itemize go to www.irs.gov

The tax filing deadline is also the deadline for your 2010 IRA contributions. Not only is this a great move to save for your retirement, there are also huge benefits regarding taxes. Money that is in an IRA grows tax free and if you have earned income and do not participate in your company's retirement plan, you can get a tax deduction for the amount of your contribution. This year's maximum contribution is \$5000 and \$6000 for those 50 years and older.

While rushing last minute to get your taxes done in time can be really stressful, it doesn't always have to be. It may be too late for this year, but we know it's going to come up again at the same time next year and the year after, etc. It's never too late to start getting organized for next year, which can save you a lot of headache in 2012.

Seven courses of beef

to the center and tuck to roll again. Don't put too much food into your wrapper! Then dip into your desired dipping sauce and enjoy. The crunchy, fresh vegetables along with the flavorful beef slices combined with the nuoc mam is simply delicious!

The first courses is the beef salad (goi bo) which consists of thin beef strips mixed with pickled celery, daikon, cucumber, and carrot served with a nuoc mam dressing. Then the next three courses are served together, (bo la lot) the grilled beef encased by a lolot leaf (la lot -similar to a grape leaf used in Mediterranean cooking) as well as (bo cha dum) a big meatball mixed with vermicelli then quartered served with crispy shrimp chips. The combination of the lolot leaf and the grilled beef is flavorful and delicious. Another course is a plate of thinly sliced raw beef is served with either lime or lemon slices to be squeezed onto the beef.

Next is a plate of sliced raw beef topped with onion slices to be cooked in a broth (bo nhung dam) which you wait to be heated up. Once bubbling, one quickly dips the onion and beef slices til cooked. Next up is the butter sautéed beef slices sprinkled with fragrant lemon grass bits. Last but not least is the beef congee (rice soup) (chao bo) which is a tasty and satisfying finale to a wonderful culinary journey.

Of course, **Pho Hoa II** has a extensive full menu with all your usual Vietnamese favorites. If you don't like beef, you can have the fish alternative called Ca 7 Mon.

Quincy the new Tinsel Town?

By Cody Yiu

When Quincy’s State Representative Tackey Chan [D-Second Norfolk] spoke at a community forum in Chinatown last month, one topic that surprisingly got his adrenaline pumping was the Kevin James film “Here Comes the Boom,” which is slated to shoot in Quincy this spring.

Chan, a member of the Screen Writers Guild, believes that movies can hugely benefit the local economy.

“To give you an idea of how the movie industry affects the economy here: This movie “Here Comes the Boom” is going to require 9000 extra workers, in terms of background actors. These are people who work for two days, get paid a couple hundred dollars for shortchange work. If you think about how much that’s in payroll taxes, \$100 for 9000 people, \$ 9 million plus the payroll taxes and everything else. That’s \$20 million before you know it. That’s just background actors, not the stars, not the principals, not the caterers, not the electricians,” Chan illustrates.

Quincy Mayor Thomas Koch has in fact signed a deal with Columbia Pictures that will see “Here Comes the Boom,” shot inside the former Quincy High School in exchange for at least \$80,000 that the Mayor plans to dedicate to the Quincy Public Schools music program.

“I can confirm that we’ve worked out an arrangement with the production company to use the interior of the old Quincy High School, and that the City will be compensated for the use of the vacant building,” Koch says in a statement. “We’re putting to use an otherwise vacant building and getting paid for it, and we expect to see a nice boost to the City’s economy with the number of people associated with the movie who will be spending time - and money - in Quincy. It seems like a great fit.”

Mark Carey, the head of the Chamber Of Commerce’s Quincy Film Bureau, says he is working closely with the production company in an effort to maximize the film’s economic impact on Quincy.

“For an industry that flies in and out of any given city over a very short period of time - maybe a couple of months at most - the impact on restaurants, hotels, real estate and other indicators can be huge,” Carey says. “We’re doing everything we can to make sure those dollars are spent right here in Quincy.”

Boston-based actor Albert M. Chan concurs.

“The film and TV industry is a collaborative effort. In addition to actors and crew members, there are those who are indirectly affected as well--hotels, restaurants, car services, lumber yards, equipment rental houses, businesses used as locations, etc. The businesses that rent, sell, or provide services to production companies pay taxes and employ additional workers who are in turn paying taxes and purchasing goods and services,” the actor says.

Albert Chan has been involved in two movies that were filmed in the Bay State.

“In MA, I’ve worked on “Ghosts of Girlfriends Past” and “21.” For “Ghosts of Girlfriends Past,” I was hired as a principal (i.e. speaking) actor for over five weeks, which was very unusual. Historically, local actors are normally hired for a day

or so for principal roles,” Chan says.

“Ghosts of Girlfriends Past,” starring Matthew McConaughey and Jennifer Garner, was filmed at Crane Estate in Ipswich, Elm Bank Reservation in Wellesley, Needham, Sudbury, and various other locations in MA, while “21,” starring Kevin Spacey was shot at Boston University, downtown Boston, Cambridge and Quincy.

Albert Chan explains that a “local” actor is someone who works as a “local hire,” and is not compensated for travel and per diem since they can commute to the set each day.

“If a movie hires an actor from LA or NY to work on a film shooting in Massachusetts, it costs the producers more because they have to fly the actor to MA, put them up in a hotel, and provide meals,” the actor says.

Union minimum for background actors on films is \$139 for each day, where a day is up to 8 hours. Once overtime, which happens quite often, kicks in, background actors can expect to get a pretty hefty paycheck at the end of the filming session.

“The 9th and 10th hours are payable at time and a half, and work beyond the 10th hour is payable at double time. Beyond 16 hours, the rate is one day of pay for each hour,” he explains.

A recent report released by UMass Boston concludes on film and television production having a positive effect on the Commonwealth’s economy and creating jobs during the economic downturn. The report, titled “Film and Television Production in Massachusetts: 2010 Industry Overview and Analysis,” finds that Massachusetts is among the fastest growing locations for film and television production in the United States, according to data from the Motion Picture Association of America as well as national data on employment and wages from the Bureau of Labor Statistics.

The report also finds that some states with more generous credits have not experienced as much growth as Massachusetts. Furthermore, the combination of desirable locations, a large university community, tax incentives, and Boston’s status as a world-class city that is desirable to talent has put the Bay State in a unique position to become a new hub of film production.

The increase in major studio productions has allowed some of the local actors and crew members to continue to live and work in Massachusetts, Albert Chan adds.

Joseph Maiella, president of the Massachusetts Production Coalition, says in response to the report, “The film tax credit has been responsible for the creation of more than \$1 billion in new direct spending and new jobs, according to the state Department of Revenue.”

“This has helped to offset job losses in particularly hard-hit trades such as construction and transportation,” Maiella says.

The film tax credit pays movie makers 25 cents for every dollar they spend in the Bay State. If a movie maker spends \$4 million, the state gives them back \$1 million in the form of a tax credit. The tax credit currently has a sunset date of 2023.

While some see film tax credit as an economy boost for Massachusetts, others see it as a Hollywood handout. At the

same time that movies in Massachusetts are bringing jobs and money to the state, they are also costing taxpayers.

Governor Deval Patrick has proposed in his 2011 fiscal year budget plan to cap the tax credits at a much higher \$50 million a year, which means the state’s 25 percent tax credit could subsidize no more than \$200 million worth of production activity each year.

In early March, representatives of the film industry flocked to Beacon Hill for a hearing on a bill sponsored by Representative Steven D’Amico [D- Fourth Bristol District] that would cap the film tax credits at \$7 million and exclude anyone whose salary tops \$1 million from being eligible.

D’Amico argues that the cash-strapped state should not be offering big tax giveaways to help subsidize the film industry.

Some business analysts fear that the uncertainty about the potential tax credit changes might make it tougher for film producers to pull together financing or make the case to their superiors and financiers that they should shoot a movie in Massachusetts. The uncertainty might result in filmmakers taking their productions to another state while they might very well be filmed here.

The neighboring Ocean State might be taking a more drastic measure. In early March, Rhode Island Governor Lincoln Chafee announced his plan to end the state’s film-tax credits in order to help eliminate a budget deficit. Rhode Island provides the production companies with tax credit equal to 25 percent of their Rhode Island production costs if they spend at least \$300,000 on items “directly attributable to activity within the state.”

“We need to be vigilant and protect our film tax credit... the various stakeholders including acting unions, IA [the International Alliance of Theatrical Stage Employees] locals, and the Teamsters need to affirm that support to defeat the Governor’s proposal,” Albert Chan says.

Movies filmed in Quincy:

- *The Friend of Eddie Circle* (1972), starring, Robert Mitchum
- *A Civil Action* (1998), starring John Travolta
- *The Departed* (2006), starring Leonardo DiCaprio and Matt Damon
- *The Invention of Lying* (2009), starring Jennifer Garner
- *Gone by Baby* (2007), starring Morgan Freeman
- *21* (2008), starring Kevin Spacey
- *The Company Man* (2010), starring Ben Affleck

Albert Chan recently released a new fundraising video for the Chinese-American film, “Descendants of the Past, Ancestors of the Future,” which he writes and directs for. As part of an underrepresented ethnic minority in film and TV, Chan wanted to tell a meaningful story from his own cultural perspective as the son of Chinese immigrants. The campaign’s promotional video can be viewed at <http://descendantsofthepast.com>

Community remembers Reggie Wong

Neighbors,

I write to you with a heavy heart and bad news. Reggie Wong, proprietor of Weggie’s Pub (now Corner Pub), businessman and all around good guy has passed away. This is particularly shocking because Reggie was just at our last LDNA meeting and seemed fine. I liked Reggie a whole heckuva of a lot. Reggie grew up in Chinatown and owned various businesses, including Weggie’s Pub at the corner of Beach and Lincoln Street. Reggie donated a great deal of time (and money) to youth sports and activities, like the basketball and volleyball leagues he helped fund and run. From the time I moved into the Leather District in 1998, I knew Reggie. Even though he pre-dated my presence in the neighborhood by decades, Reggie never treated me as an outsider or interloper. That was not his way. Instead, he

treated me as a friend from the start. I would see Reggie standing outside of Weggie’s or just around the neighborhood – a sort of roving ambassador. He was always quick with a smile and a story or two about what was going on in the City, about the neighborhood and, yes, about the old days. I can still picture Reggie, laughing, telling me about how he had thought about buying this building or that building in the Leather District back in the 1970’s when whole buildings in the Leather District could be had on the cheap. “Can you imagine?!?” he would say. We would both laugh heartily about the missed opportunities and the riches lost.

Reggie never told me these stories out of envy or disappointment; it was always for a good laugh. Easy come, easy go. In my role as Chair of the Leather District Neighborhood Association, I looked to Reggie for context and advice about neighborhood issues. He was always good with both. His advice was true wisdom built from experience, tempered by good cheer.

This past fall, my wife, Kelley, and I drove back into town from a weekend away and we got in later in the day. As we drove by the park on Kneeland Street, I could see that the volleyball league tournament was in full swing and I saw Reggie. After we parked the car, I told my wife that I was going to walk up to the park and watch some of the tournament. When I arrived, Reggie was there with a smile. And the tournament was going off without a hitch. I stood there, hands on the chain link fence, watching the matches with Reggie, as he gave me the run down on each team – strengths and weaknesses – as only he could! It was a good time and I am sure glad I stopped by. If they have volleyball in heaven, rest assured that Reggie has started a league and is running a tournament right now! When Weggie’s changed hands, Reggie ran into me and gave me a gift: An official Weggie’s Pub Anniversary jacket! Even though it was changing owners and names, I guess Reggie wanted to keep the name alive. Although I love and wear the jacket routinely, Reggie did not need to give me a coat to keep his or Weggie’s spirit alive. But, I am glad he did.

There are a few people in the world that can cause you to smile as soon as you see them; Reggie was one of those people for me. As soon as I saw him, a smile would reflexively cross my face and a chuckle would build in me, waiting for its inevitable release when we would greet each other. At the end of it all, is there anything better you can say about someone? Reggie was a good guy. Whether you knew him or not, we are all diminished by his loss.

Sincerely,
Chris Betke, President of the Leather District Neighborhood Association

Filmmaker tells the story of imperial China bankers

By Cody Yiu

March 30 - Taiwan-born filmmaker Christina Yao gave a lecture at Harvard University's Yen-ching Institute on the making of a motion picture set and shot in China. Entitled "Empire of Silver," this period drama tells the story of the rise and fall of a family-run banking empire in Shanxi during the late Qing Dynasty.

Set in the northeastern Shanxi Province of the 19th-century, the story centers on a financial crisis that took place in 1911, a piece of history that is unknown to many. This year marks the centennial

commemoration of the financial crisis. The film therefore timely lends itself to offering insights to the current financial turmoil.

Yao, who directed and produced the film, said "Empire of Silver" was her first foray into film making. Shot in 46 locations over the course of 3 years, the movie cost over \$10 million to make. Terry Kuo, a Taiwanese IT tycoon, was the "angel" that financed the venture.

During the lecture, Yao presented the historical and cultural background through which the story is told. In 19th century China, "piaohao," or Chinese precursor to the modern-day bank, was run by affluent merchants in Shanxi. Much like modern day Wall Street, these merchants eventually came to control China's finances through money transfers, loans and deposits. One major difference, however, was that the imperial bankers conducted their financial transactions in silver instead of paper money.

"There is a saying in Chinese that wealth does not last past three generations, but the wealth of these [banking] businesses was able to last for more than 200 years," Yao said.

These merchants followed a strict code of ethics that eschewed social vices and espoused Confucian values. Social norms of the day, such

as having multiple wives and getting a divorce, were deemed as taboos among this circle of social elites.

"They were not to have second wives. They were not allowed to have prostitution, gambling, opium, or divorce," Yao said.

This Confucian sub-culture became the bedrock of this silver-based economy and principles of business ethics. The influence of the strict Confucian code also seeped through one's family life.

"[The rule] of not being allowed to divorce was played up very largely in my movie. It was not just to impose the ethical standards on the money managers; it was an ethical standard that everyone in the system has to abide by. [One character in the movie] married a second wife because his first, legitimate wife was paralyzed. Because he had a concubine, he was never allowed to touch the family business again. That tells you how strict they were," Yao said.

These merchants from Shanxi spent much of their time on the road. During their long absence from home, they would need to put someone else in charge of money matters. Although monogamous marriage was unconventional at the time, this group of bankers believed that it was a crucial in securing their family wealth.

"What [monogamy] did was protect the wealth of the family. All of these managers were sent out three years at the time. After three years, they were allowed to come home for half a year. They were wealthy people, so the money would be shipped home [from the road]. And who would be the manager for their money? Their wives. By keeping the legitimacy of the wife's position at home, by making her the only woman the man had to be wedded to, she became the manager of the household," Yao said.

In preparing for the film, Yao made an interesting discovery.

"I read some letters that some young managers wrote home. They were quite heart-warming and gentle. It was refreshing. I thought Chinese men were very subdued and not good at expressing their feelings," Yao said in conclusion of her presentation.

"Empire of Silver" is due to release in the U.S. in late May. Please visit <http://www.empireofsilver.com/en/intro.html> to learn more about the film.

姚樹華導演哈佛暢談《白銀帝國》

《白銀帝國》劇照。

【本報牛江河報導】電影《白銀帝國》導演兼製片人姚樹華博士於三月三十日在哈佛大學燕京介紹她的這部處女作，並放映了片花以及影片的拍攝現場記錄片斷。《白銀帝國》榮獲第29屆夏威夷國際電影節最佳影片獎（金蘭花獎）、第12屆上海國際電影節評審團獎以及2009年電影頻道傳媒大獎，最受媒體關注導演獎等。

《白銀帝國》講述了在19和20世紀更迭時山西（簡稱晉）一家票號「天成元」的故事。票號可謂是現代銀行在中國的前身。雖然「天成元」票號巨賈康老爺（張鐵林飾）有四個子女，但當一件綁架案把家族成員陸續擊垮後，家族金融帝國的重任就落在三爺（郭富城飾）的身上。為了把兒子打造成金融大亨，康老爺試圖以自己為榜樣向兒子傳授“馭人之術”，但理想主義的三爺卻對父親的權術手腕和商業道德充滿了質疑。此外，三爺的後母其實是三爺的無法忘情的初戀情人（郝蕾飾），八國聯軍入侵，銀本位變紙鈔，金融變革——影片展現了一個曲折幽長，但卻真實可信的家族史詩。

姚樹華在發言之初就坦言她很幸運，因為她沒有很多導演都頭痛的籌集資金問題。臺灣首富郭台銘給了她這個機會。郭姓家族是從山西發跡的。郭台銘給錢讓她拍一個晉商題材，基本不特別要求什麼，只要認真就行。因為錢不是問題，所以劇組得以精工細作，基本

上所有的道具、傢俱、頭飾、首飾等各類裝飾物都是真的古董，需要有人二十四小時不間斷地看守。所有的拍攝都在13個縣市的40多個實景進行，電影中的所有建築都是經歷了時間和災難考驗的真實建築物。

白銀帝國根據成的小說《白銀穀》改編。成一為新時期最早走上文壇的青年作家之一。他於1978年發表的短篇小說《頂凌下種》獲得了首屆全國優秀短篇小說獎，成為文革之後第一位獲全國獎的山西作家。他花了三年時間，寫出了這部反映晉商輝煌歷史的長篇力作。

姚樹華其實原本是著名的舞臺劇導演，執導過包括莎士比亞的《威尼斯商人》、曹禺的《原野》、的百老匯名劇《蝴蝶先生》等的舞臺劇近三十出。她曾在「美國藝術劇院」（America Conservatory Theatre）擔任過六年的駐團導演以及助團長。她生在臺灣，老家在山西，是美國斯坦福大學亞洲戲劇博士，曾在臺灣國立藝術學院藝術碩士研究所、美國衛斯理女子學院、三藩市州立大學等多所著名學府任教多年。

我們可以看出山西的作家，老家是山西的導演，從山西發跡的投資方共同合作打造出這個講述山西商人的故事。

姚樹華告訴記者通過拍攝，她與同組同仁建立的生死之交最為讓她感慨和珍惜。姚導演並誠懇地感謝大家能去觀看她的《白銀帝國》。

體育表演 申雪、趙宏博波城亮相

申雪(左)及趙宏博在Ice Chips溜冰節中的表演大受觀眾歡呼叫好。

【本報訊】2010年溫哥華冬季奧運花式溜冰雙人組冠軍，也是中國首面奧運溜冰金牌得主的夫妻檔申雪和趙宏博於4月2、3日兩天，應波士頓溜冰俱樂部之邀，參加“第99屆Ice Chips溜冰表演會”，在哈佛大學Bright Hockey Center和其他溜冰好手一起表演三場。

Ice Chips是由溜冰俱樂部舉辦的波士頓年度溜冰節，至今已有近百年歷史。此次趙宏博和申雪來波士頓將獻上2場表演。

申雪，女，1978年出生，黑龍江哈爾濱人。趙宏博，男，1973年出生，同樣來自黑龍江哈爾濱。

申雪和趙宏博在三次世錦賽上一直保持著前三名的高水準，他們先後奪得了1999年和2000年的亞軍以及2001年的季軍。他們在2002年鹽湖城冬奧會上奪得雙人滑銅牌，是迄今為止中國雙人滑運動員在奧運會上取得的最好成績，也是中國繼陳露之後在花樣滑冰專案上培養出的最具奧運沖金實力的選手。此外，他們還在之後的2002年世錦賽上奪得中國在雙人滑專案上的首個世界冠軍。

申雪和趙宏博1992年8月開始配對練習雙人滑，至今已有10多年的合作經驗。兩人的技術特點是動作難度大，但藝術表現力略顯不足，為此多次在世界大賽中與冠軍失之交臂。為了彌補這方面的不足，申雪和趙宏博多次赴歐美訓練，並請來國外專家在藝術表現上進行指導。

● Finding the carousel找行李轉盤

Customer: Excuse me. Could you tell me where I can claim my luggage?

Attendant: Let's see...you came in on Flight 271. Your bags will be on carousel three in the baggage claim area.

Customer: Thanks. And how do I get there from here?

Attendant: Just take a left down that hallway and follow the signs. You can't miss it.

顧客：不好意思，可以告訴我要去哪領行李嗎？

服務員：我看看.....你是二七一班機，你的行李會在行李領取處的三號轉盤。

顧客：謝謝。我要怎麼從這裡過去？

服務員：左轉沿著走廊然後跟著指標走，你就會看到了。

Common Phrases提領行李好用句

1.Where is the baggage claim?

行李領取處在哪？

2.Which carousel will the luggage from Flight 220 be on?

220班機的行李會在哪一個轉盤？

● 行李遺失怎麼辦？

為了從一大堆行李中迅速找出自己的行李，也避免相似的行李被人領走，你可以在行李上放上自己的「名牌」name tag，或貼上「貼紙」sticker。

倘若你在「行李轉盤」baggage carousel 前遲遲等不到自己的行李，那麼有兩種可能，一種是行李延誤，另一種則是行李遺失了！不論是哪種情況，你都可以拿著「行李存根」baggage claim tag 到「行李領取中心」baggage claim office/counter/center，找服務人員幫忙。

星巴克（Starbucks）和鄧肯甜圈店（Dukin Donuts）

作者：Mabel Lee

作為學生，我們都熟悉餐館和食品，很多人每天去附近的咖啡館。我們也對最好的咖啡館做過比較，其中兩個就是鄧肯甜圈店和星巴克。星巴克在49個國家有16635家分店，而鄧肯甜圈店在31個國家有8800家。這兩家公司最吸引人的產品都是咖啡，當然另外還有一些其他食品。但是，為什麼星巴克比鄧肯甜圈店和其他商店得到更廣泛的了解和認同呢？這兩個店提供的奶油是相仿的，星巴克的成功很大程度上是因為它有更舒適的環境，多種多樣的飲料，良好的商品展示以及優良的服務。

當你走進星巴克店，第一眼就能看到許多學生躺在舒適的沙發或椅子上往他們的筆記本電腦上打字。星巴克最吸引人的地方就是其特有的舒適。學生們可以在這裏一邊喝著溫暖可口的星冰樂（frappuccino），一邊完成他們的作業。有許多重要的訪談在這裏舉行，同時這也是人們共享飲料，聚集和值得懷念的地方。在星巴克舒適的沙發裏，學生可以逗留比他們的原計劃更長的時間，購買更多的飲料。這又使星巴克掙更多的錢，得到更大的成功。

星巴克提供比其它商店更多品種的飲料。它不僅提供鄧肯甜圈店沒有的茶葉飲料，而且還有許多不同口味的其它飲料。它提供22種茶和21種不同類型的星冰樂飲料。此外，甚至還可以選擇冰茶，而不論天氣如何變化。星巴克還提供諸如蘋果汁，蒸牛奶和焦糖蘋果醬等各種飲料，還有各種釀制的咖啡飲料。它的瓶裝飲料不僅在星巴克商店，而且

也在各個超市出售。這使他們的咖啡市場擴大到在超市購物的顧客。由於星巴克的飲料種類繁多，許多人更願意到他們的商店去購買適合他們需要的飲料。

星巴克還努力展示他們的產品以吸引消費者。不像其他的咖啡店如鄧肯甜圈店那樣，星巴克的櫃檯下面展示著各種美味的烘焙食品。客戶在購買飲料時，他們的眼睛會不由自主地看到美味的烘焙食品而購買它們。正因為如此，星巴克能夠實現更多的利潤，獲得更大的成功。星巴克的食品系列還包括熱早點，三明治，沙拉，酸奶凍糕，還有冰淇淋。這麼豐富的菜單，足以滿足最挑剔的食客。

此外，商店還提供優良的客戶服務。星巴克的工作人員會要求顧客把他/她的名字記在它的飲料上，以免混淆不同的飲料。這樣，工作人員將更便於組織哪些客戶訂購哪一種飲料。反過來，客戶將更有效地得到滿意的服務。還有一些服務細節，比如客戶可以方便地添加更多的糖和鹽，也使顧客滿意。星巴克還提供自己的飲料杯托，便於顧客拿取熱的飲料。出色的服務滿足了顧客，反過來又吸引顧客再來星巴克，買更多的產品。

星巴克是世界上最大的咖啡公司，雖然它比有些咖啡館較晚成立，它已經受到廣大顧客的贊賞。其主導的成功，基於舒適的環境，飲料的多樣，商品展示以及優良的客戶服務，無疑將把它的名字提到世界領先的連鎖店之一。

亞裔人口勁增

麻州亞裔和西語裔人口過去十年來增長比率高達46%，非洲裔人口增加26%，族裔愈趨多元化。麻州州務卿蓋文表示，麻州過去十年來，白人人口雖減少1.9%，但麻州人口中，白人仍佔絕大多數。

麻州亞裔人口在2000-2010年之間，成長46.9%，應是各族裔人口中增長最快的族裔。

根據普查資料，麻州第一大城波士頓市的人口從2000年的58萬9141人，增加至2010年的61萬7594人，成長比率為4.8%。第二大城渥斯特

移民確認就業資格 可上網查對

往只有雇主可以有權限查詢的E-VERIFY自查系統 (E-Verify Self Check) 今後也將提供給雇員查詢，這個由美國移民海關局推出的新系統，使得在美求職者今後可自行核實政府登記的個人資訊，避免因系統內的資訊錯誤而喪失難得的工作機會。E-VERIFY自查系統允許求職者在發現錯誤資訊後立刻提出更正申請。該系統本周在亞利桑那、科羅拉多、密西西比、愛德荷州、維吉尼亞和華盛頓特區首先投入使用。雇主使用的E-VERIFY系統已經運行數年，雇主必須承當雇傭員工的合法性的責任本次不會改變。雇主必須在錄用新員工前運行E-VERIFY。以往系統出現錯誤時，受聘員工沒有權利核實或修改錯誤資訊。海關移民局主任瑪雅卡斯 (Alejandro Mayorkas) 介紹，E-VERIFY系統存在資訊滯後問題，比如雇員姓名被拼錯，或者住址錯誤，甚至移民身份未得到及時更新，因此期望新系統能提前發現並更正類似問題，減小雇員和雇主的雙重損失。由於移民身份資訊變動頻繁，自查系統有利於移民及時對關鍵資訊做出更新。

根據自查系統網站顯示，完成查詢包括四步：查詢者需先輸入姓名生日等基本個人資訊，再回答第三方機構提出的民族和財政狀況測試問題，然後輸入社會保險號或者外國人注冊號進入數據系統，最後系統會回饋申請者是否具有合法工作權利。

目前雇主使用的E-verify 系統存在各種技術問題，查詢結果和雇員真實身份不符給雇主帶來諸多不便。移民政策中心研究發現，如果雇主操作不當，則會出現很多錯誤。報告計算，只要系統存在1%的錯誤，便會影響60萬工人，其中也包括美國公民。

但移民海關局堅持E-verify的準確性高達96%，稱目前有25萬個公司正在使用該系統，從去年10月到今年3月，該系統的查詢次數已經達到700萬次。他們預計E-verify自查系統第一年的查詢量會達到100萬次，並可能在未來達到年查詢量800萬次。

作為移民執法的一部分，共和黨和民主黨在是否強制推行E-verify問題上存在分歧。以共和黨主導的眾議院司法委員會上月為E-verify系統召開聽證會，希望在全國範圍內強制推行E-verify。

因此E-verify自查系統的推出受到好評。移民政策機構 (Migration

Policy Institute) 發言人米特爾施泰特 (Michelle Mittelstadt) 認為，新系統為雇員提供了更有效的自我保護措施，是防止身份資訊欺詐行動的關鍵一步。若自查系統能夠順利在全美推廣，在美求職和就業的華人雇員日後更新個人資訊將會變得更加便捷。

加州關閉3座專營觀光生產的高檔月子中心

加州關閉三座專門讓台灣和大陸有錢人待產及產後停留的高檔坐月子中心，警方在獨門獨院的民宅內，發現七個剛出生的小寶寶和兩名產婦。

加州警方3月8號在洛杉磯東郊以違反建築法規的理由，關閉三間經營坐月子中心的高級民宅，部分孕婦和產婦當時外出。在場的兩名產婦，一個是台灣籍，一個是中國籍，她們都不太會講英語。

警方是在接獲鄰居報案，說那三棟屋子經常很吵，連夜裡都不得安寧之後，前去查看，三棟洋房坐落在聖蓋博市一處僻靜的住宅區，隔牆被打掉，重新隔間，廚房被改成了育嬰室。主管單位認為建築的結構被破壞，已經把產婦和嬰兒安置到別處。屋主則因為未經許可在住宅區營業，而被罰了八百美元。

美國採取屬地主義，出生在美國的人，就可以自動取得公民身分，到美國待產，並不違法。不過把它當成一樁生意來牟利，可能得另當別論。然而在目前沒有法律依據的狀況下，只能先從當事人取得簽證過程是否涉及不法來查起。

美國移民部門官員說，這家供孕婦臨時居住的地方是在被周圍鄰里舉報後發現的。周圍的人們注意到，這些孕婦在當地醫院分娩前、後都寄居再次，並發現孕婦經常挺著大肚子經常進進出出。據信，有人依靠此法獲得豐厚利潤。

據瞭解，1868年，美國憲法第十四條修正案通過，修正案第一款即規定：“凡在美國出生或歸化美國的人，均為合眾國和他們所居住州的公民。”於是一些外國人便鑽了這條法律的空子，想在美國生子、讓子女獲得美國國籍。這類事件此前也發生過，媒體曾給予相關關注與報導。但外國人赴美生子的願望和整個過程中的商業鏈卻並未被打斷。

有國會議員今年初提案建議對屬地主義設定條件限制，不排除申請釋憲。

規劃素食餐

現在許多人都選擇素食。素食者不吃任何肉（包括紅肉，家禽，海鮮，或這些食品的加工產品）。素食是可供考慮的一種健康選擇，但應該是精心策劃的。如果你選擇素食，一定要吃各種蔬菜，水果，豆類，全谷類，堅果和 低脂肪乳製品（如果你選擇包括乳製品）。

素食也有許多不同的類型。最常見的類型有：

- 純素食者，這組人不吃肉，蛋或乳製品。

- 奶素食者，這組人不吃肉或蛋，但會吃乳製品。

- 奶蛋素食者，這組人不吃任何肉類，但是吃乳製品和雞蛋。

糖尿病人吃素食安全嗎？

安全！素食是一種健康的選擇，即使你有糖尿病。研究表明，素食可以幫助預防和控制糖尿病。事實上，研究發現，素食可以降低體重和血紅蛋白A1C值（糖尿病的檢測方法之一，譯者注），而碳水化合物和熱量的限制並不是必

研究座談

置業及產權保險座談

許漱馨在座談會上。(牛江河攝)

【本報牛江河報導】由波士頓華僑文教服務中心、大波士頓地區台大校友會、新英格蘭大波士頓臺灣商會合作，3月26日下午在僑教中心舉辦了置業及產權保險座談。這次講座分兩部分，由受邀的瑞比士地產負責人許漱馨和胡美惠律師分別講解。

許漱馨在講座的第一部分以“你是否該考慮置產了？”為題。講述了租房和買房的優缺點，麻州買房過程、買投資房以及地產仲介行業甘苦。

許漱馨將租房和買房的優缺點用圖表的形式展示出來，一目了然。

在麻州買房，你大致要經過這些過程：預先審核貸款額，找

買方仲介，尋找你中意的房子，議價，房屋檢查，雇用地產律師，簽正式合同，貸款，產權調查，產權保險和過戶。

如果你喜歡和人打交道，喜歡認識不同文化、不同族群的人，有點“雞婆性”，愛管閒事，無論風雨暴雪，喜歡天天往外跑，喜歡學校新事物，不懼加班加點，很有耐心，人緣廣，那麼，許漱馨說你適合於作一名房產經紀人。

講座的第一部分”從美國銀行凍結拍賣談產權保險的重要性”由餘紀忠文教基金會-海外臺灣人涉訟基金贊助。

胡美惠律師指出購置產業是一個人一生中最重要的投資。當你購買房屋時，牽涉到的產權可能有賣主、賣主的家人、繼承人，甚至承建商、某些政府部門等。產權保險是對所購產業權益的一種保障，幫助你認清問題及解決問題。如果因為某些不能預見的指控而威脅到你的產權時，你會受到保護。有些人因為沒能認識到這一點，而使自己的產業遭到很多的損失。

產權保險如何保障你呢。比如，對一些在檢查公開記錄時涉及不到的因素，它可以保障你不受損失。即使你已經有了該房產的契據，但如簽名、檔的偽造，因人名相似產生的混淆，記錄錯誤等可能引起的損失，產權保險業可保護你不受損失。若你需要上法庭，產權保險為你負擔有關的費用。若指控屬實，產權保險為你支付所有解決這指控的費用。

產權保險是一項複雜的專業服務，託付富有經驗的專業人士是一項明智之舉。產權保險與其他保險的不同之處在於只須付一次保費即可。

	租房	買房
優點	開始的費用低	貸款支出可以長期固定
	較有彈性	利息支出可以抵稅
	壓力較小	房價長期以來都往上升
	沒有維修費	有成就感
	不用做房奴	可依自己喜歡裝修
缺點	房租會慢慢上調	頭款高再加上賣房時傭金
	沒機會完成美國夢	不動產不能隨時脫手
	不知明年會住哪里	週末都搭進房子裏了
	沒減稅的好處	水電冷暖開銷大
	不能隨意裝修房子	時機不對可能造成很多損失

ABCD華人啓蒙學校 幼兒學習準備資訊 遊樂會

一邊運動、一邊學習。(牛江河攝)

波士頓公立學校過渡專家Rosa E. Inniss在介紹。(牛江河攝)

【本報牛江河報導】三月二十九日ABCD華人啟蒙學校在其校區舉行了幼兒學習準備資訊遊樂會，孩子和家長以及感興趣的有關人士在這個會上獲得了幼兒進一步學習的準備資訊也高興地享受了遊樂、美食的樂趣。

波士頓公立學校過渡專家Rosa E. Inniss首先介紹了幼兒學習準備。其方法多種多樣，因人、因文化和因基礎而定。其中有讓孩子練習寫自己的名字；認識自己的位址和家裏、父母的電話號碼；在每天的日常生活中自然加入數數目的練習；劃定睡覺時間並切實執行；到圖書館申請一張免費借書證，並在這個網站查看推薦的讀物www.countdowntokindergarten.org/activities等。Rosa還鼓勵家長與學校聯繫時不要有什麼顧慮，學校是為你服務的，你比任何其他人都更瞭解你的孩子。

接下來穿白衣、戴白帽的學校大廚張明強和餐館廚師Maegen Holt抬著鍋碗瓢盆進來了，他們講解營養健康食品的概念並用義大利粉示範怎麼做。用的調料有橄欖、青椒、紅醋、芥末、泐司等。做好後分發給大家品嘗。作者也嘗了，味道好極了！

孩子們伸手、踢腿、彎腰、跳躍，興高采烈地一邊運動、一邊學習。然後大家又一起欣賞了中國傳統樂器—揚琴和二胡的優美演奏。

Suffolk大學兒童早期研究中心主任Lisa Coyne教授根據兒童心理發展過程

以及兒童認知、社會發展規律指導家長如何挑選有教育意義的玩具。她在關於小孩怎麼學習的問題上提出她的看法：兒童不僅通過觀察他人，通過掌握規則學習，最重要的是兒童可以通過玩學習！通過提供特別的玩具、遊戲和活動，家長可以提高孩子的細微活動能力、運動能力、適應技巧、認知技能、交流能力以及社會交往能力。Coyne教授還把她的孩子的很多玩具帶到學校展示給家長和學生們看。

ABCD華人啟蒙學校校長傅美華還向記者作了介紹。與其他一些托兒中心比較，ABCD華人啟蒙學校主要的不同在於：它是美國幼教協會 (NAEYC) 認證的高品質學校；8:30—2:00完全免費，7:30—8:30，2:00—6:00提供課前和課後服務；昆士學校語言專家每星期二定期兩次語言治療或增強教學；行為專家提供幼兒行為指導；駐校營養師設計健康營養功能表；駐校護士提供幼兒保健及口腔健康諮詢；中英文雙語教學；所有員工皆為合格教師及職員；母公司ABCD (Action for Boston Community Development, Inc) 為新英格蘭六州最大的社會服務機構。

居住在大波士頓地區，父母低收入，或兒童有特殊殘疾，學習有困難的3-5歲兒童 (2歲多亦可) 可聯繫報名，電話614-482-3089轉711，758，728，733。
